The lease purchase properties at Cote Lane are one, two and three bedroom pre-owned homes that are spread out across the site. All are suitable for sole or dual occupancy.

#### **Tenure type**

This is a lease purchase property. Leaseholder residents own the apartment, but not the land it stands on. The land remains owned by the landlord, the St Monica Trust.

#### **Lease term**

The lease term on lease purchase properties is 125 years. Each lease starts on the date of completion.

#### **Nomination**

There is no nomination procedure.

#### **Care provider**

The St Monica Trust provides a full care and support service and does not sub-contract any element. Residents are free to choose a service from another supplier if they wish.

### Costs of moving in

#### **Price**

The price of leasehold purchase properties (the 'capital payment') is shown on the sale details.

#### **Deposits and full balance**

To buy a lease purchase apartment prospective residents must first join the allocations list. To purchase the lease on a property, a £2,000 reservation fee is paid. At the point of exchange, 10% of the purchase price is paid (less the £2,000 reservation fee) and the balance is due on completion.

#### **Other costs**

St Monica Trust does not charge for the health assessment for lease purchase accommodation.

The Trust does not apply any legal fees for the engrossment of a lease.

Residents pay their own removal costs. We can suggest removal firms or you are free to choose your own.

Residents also need to appoint and pay for their own solicitor to handle the conveyancing.

## Ongoing charges whilst living at Cote Lane

### Community Fee (service charge)

All residents pay an annual contribution to the running and services of St Monica Trust and Cote Lane, which is known as the 'community fee'.

The community fee is an annual payment that is charged monthly in advance by direct debit. The community fee is a variable charge based on actual costs only. It is held on trust for residents.

The community fee varies according to the number of people living in the property and the banding of the property.

The community fee that will apply between April 2022 and March 2023 at Cote Lane is:

### Oatley House, Little Cote and North Lodge

	1 Person	2 People
Low	£9,016	£11,553
Medium	£9,909	£12,996
High	£10,741	£13,899
Premium	£11,642	£14,801

## St Augustines and Willowpool

	1 Person	2 People
Low	£8,551	£9,834
Medium	£9,405	£10,818
High	£10,329	£11,877

The community fee budget is compiled at the beginning of each financial year and is subject to change on 1 April each year depending upon the maintenance and running costs incurred within any given year. Residents receive at least 28 days' notice of the change. The increase is always capped at a maximum of 3% above RPI. Residents pay a 'peppercorn rent' through the community fee. The community fee covers the cost of providing one hour per week of housekeeping support to residents. Additional help can be purchased if required.

## Care costs

There is no mandatory charge for care, residents pay for domiciliary care and support only if they buy a care and support package.

All residents are responsible for paying council tax directly to the council. This is by far the most efficient way of ensuring that any possible allowances are accessible by residents.

#### **Freeview and satellite TV**

All apartments at Cote Lane are connected to a central TV and satellite system, therefore, negating the need for multiple aerials and dishes. It is the residents' responsibility to pay for their

own satellite TV service. Residents do not need to pay for a TV licence as there is a communal arrangement.

#### **Internet**

Residents of Cote Lane pay for their own internet connection and liaise directly with their own provider.

#### **Residents' insurance responsibility**

### **Charges when leaving or selling your property**

When you want to leave the property, it cannot be sold on the open market. Instead we will return the amount of your original capital payment less any outstanding charges and reinstatement costs required to return the property to a sellable condition.

St Monica Trust does not apply any administration or legal fee for sale.

Residents will need to appoint a solicitor to handle the surrender.

## Residency and Sub-letting

In any one year, residents must spend a minimum of six months living in the property and must provide notice if they are absent for more than six months.

Sub-letting is not permitted.

## Sinking Fund (Reserve Fund)

The sinking fund, which contributes to future planned building maintenance costs, is funded through the community fee. The fund's balance for Oatley House (including Little Cote and North Lodge) at the end of December 2020 was £351,936. The fund's balance for St Augustine's and Willowpool at the end of December 2020 was £66,196.

The sinking fund is held on trust for residents.

Any shortfall in income over relevant costs in any year may be reflected in an increase in the community fee in the following year, from 1 April.

Residents receive at least 28 days' notice of the change. Any annual increase in the community fee is always capped at a maximum of 3% above RPI.

## Restrictions on buyers
